

Ting Liu

PhD Student, Department of Agricultural and Applied Economics

University of Wisconsin-Madison

tliu443@wisc.edu

Education

Ph.D. in Agricultural and Applied Economics 2024-2029(Expected)

University of Wisconsin-Madison, Madison, WI

Advisor: Prof. Jeff Hadachek

M.S. in Agricultural and Applied Economics 2022-2024

University of Wisconsin-Madison, Madison, WI

Minor in Economics 2020-2022

Peking University, Beijing, China

B.S. in Information and Computing science 2018-2022

Beijing Jiaotong University, Beijing, China

Research Interests

Development Economics; Agricultural Economics; Transportation economics; Urban economics; Behavior Economics.

Research in Progress

- “Motorway Access, Agricultural Productivity, and Spatial Reallocation in Rural China.”
[second year paper]

Research Experience

- **Research Assistant**, Prof. Jeff Hadachek & Prof. Dustin Frye 2024–Present
“*Market Integration and the Transition to Modern Agriculture*”
Processed and cleaned agricultural datasets in support of research on transportation networks and market integration; developed familiarity with transportation-based identification strategies through close engagement with related literature.
- **Research Assistant** 2023–2025
“*Weathering the Vote: How Temperature Extremes Shape Political Participation in India*”
Downloaded and processed environmental datasets; conducted spatial analysis using GIS in support of research on environment and electoral politics.

Research Conferences

- International Transportation Economics Association (ITEA) Annual Conference 2026
Bergamo, Italy
- Midwest Political Science Association (MPSA) Annual Conference 2024
Chicago, IL

Skills

Software: Stata, R, Python, Julia, Matlab, ArcGIS / QGIS

Methods: Panel data, spatial econometrics, GIS

Languages: Mandarin (native), English (professional)
